Project

Battersea Reach

Wandsworth
London

Project Brief

In consultation with Briggs & Forrester (MEP) Ltd, Thermotec were asked to provide a complete design and installation scheme in compliance with the latest environmental and technological heating systems.

Scope of Works

Thermotec delivered a fully integrated floor build up system from the sub-floor base to the final floor screed using our TPA11 Aquafloor Cliprail System and standard controls. The project was managed, installed and supervised by Thermotec, and was delivered on time and within budget.

Project Value: £125M

Project Details

The Berkeley Group developed a prestigious riverside project. Battersea Reach is one of London's most prestigious residences, an exceptional lifestyle with breathtaking views.

6,000 m²

thermotec
