Project

Brighton Marina Development

Brighton

East Sussex

Project Brief

In consultation with Midgard, Thermotec were asked to provide a complete design and installation scheme, in compliance with the latest environmental and technological heating systems.

Scope of Works

Thermotec carried out the design, supply and installation of TPA11? Aquafloor warm water Underfloor Heating to the required apartments. Thermotec supplied the cistern frames and flush plates for the wall hung toilets. The project was managed, installed and supervised by Thermotec, and was delivered on time and within budget.

Project Value: £45M
